The Abbeville Banner

Is published every Wednesday morning, at Abbeville, S. C., at \$3 ø year, in advance. It is now in the twenty-third year of its publication, and embraces within the limits of its circulation a good portion of the agricultural and mineral region of Western South Carolina. Business men of every class will find in its columns an excellent agent for bringing their business before the public. Advertisements inserted at \$1 per square for the first insertion, and fifty cents for each subsequent one, for a less time than three months. A liberal deduction from these rates will be made in favor of those who advertise for three, six or twelve months, with the privilege of changing as often as desired.

DILLON'S PATENT UNIVERSAL COTTON THE AND IRON HOOPS, New York Advertisements.

THIS TIE, with the HOOP COMPLETE, weighs no more than the usual Rope used in baling cotton, and renders an allowance for ture unnecessary; the ONLY TIE REQUIRING NO SLACK WHILE PUTTING ON, and is so perfect that the necessity for heavy hoops, to make up for deficiencies in the tie, is entirely obviated. Can be sold by the pound or ton as cheaply as the heavy hoops and less perfect ties. Each and every tie is warranted perfect. Science and practical use will have the effect of the Iron Tie entirely superseding the use of rope—its combination of advantages, the preservation of the cotton when baled from consumption by fire, rendering its security to Insurance Companies a matter for consideration, both while in warehouse or on shipboard, and its simplicity of use and economy combined.

THE TRIUMPH OF ART MORE TESTIMONY IN FAVOR OF Heinitsh's Queen's Delight.

EXTRACTS FROM LETTERS: "The Queen's Delight is beginning to awaken the attention of our physicians. Its remarkable curative power is seen in its wonderful effect upon discase. As a blood purifier, there is no medicine like it known to the profession. A gentleman told me that his son has been taking the Queen's Delight, and is more benefited by it than by any other medicine. He wants a dozen bottles."

Medicine and medical aid I had in abundance, such was my prostrate condition. Medicine and medical aid I have used only a few months since, when I began the used two bottles, my constitution is greatly improved, my appetite is good, enjoyrefreshing sleep, and am able to perform my share of daily labor."

Extract from a letter—Wonderful effect of only one bottle: "I have used only a half bottle of 'Queen's Delight' for boils and cruptions of the skin and itching humors of the blood, which annoyed me very much. I am entirely cured. I think your medicine a valuable one."

much. I am entirely cured. I think your medicine a valuable one."

A remarkable case of liver complaint and headache cured by the use of "Heinitsh's Queen's Delight:" A lady of unquestioned worth and reputation voluntarily gives testimony of the wonderful effects of this medicine. She has been from early years a martyr to headaches, caused by imperfect action of the liver, producing intense headache and pain over the eyes. She has taken only four bottles, and assures us of the perfect cure it has made. She now enjoys good health.

Still another: "During last spring, I had been troubled with obstinate chills and fever, which, when cured, left my system in a wretched condition, blood impure, and I was afflicted with an angry, and, as I at one time thought, an incurable, cutaneous eruption over my entire body. The most violent remedies suggested failed to work a cure, until, at the instance of a friend, I tried Dr. Heinitsh's Queen's Delight. Less than two bottles cured me, leaving my skin in a heaft!, y condition. My general health is as good as ever. For such purposes, I have, ever since my cure, unhesitatingly recommended your Queen's Delight."

Don't buy any but the right kind. All genuine Queen's Delight has the copy-right mark on the outside, and it is the only medicine which produces these wonderful cures. For sale wholesale and retail at FISHER & HEINITSH'S
